WARRANTY CONDITIONS

LEXAN™ ETFR SHEET

5 YEAR LIMITED WARRANTY ON BREAKAGE

LEXAN™ ETFR Polycarbonate sheet will not break due to loss of impact strength when used indoors within five (5) year of the date of sale by POLYVANTIS India.

This limited written warranty is subject to the following conditions:

1.
This limited written warranty applies exclusively to standard LEXAN™ ETFR sheet produced by POLYVANTIS in India, for colors 2001206 & GY2E383, used correctly as flat, curved sheet or formed and handled, stored, processed, installed, and maintained according to POLYVANTIS India recommendations contained in the Lexan Solid Sheet Technical Manual and in the Lexan Solid Sheet Processing Guide.

2.
This limited written warranty does not apply to sheet that has been scratched, abraded, or exposed to corrosive materials or chemicals.

3.
This limited written warranty is given only to the original purchaser of POLYVANTIS India sheet and does not extend to any subsequent purchaser or transferee. Any warranty claim hereunder must be made immediately within the warranty period by specifying the claim in writing and submitting to POLYVANTIS India the original sales receipt which must contain the name and address of the purchaser, the date of the purchase, the complete product name, the lot number, and the volume purchased. On request of POLYVANTIS India claimant must allow the material to be inspected on site and/or return the sheet to POLYVANTIS India for testing.

4.
For the purpose of this limited written warranty: Mechanical properties after 5 years:

A. The sheets will have a modulus of elasticity ≥ 1700 MPa. The elastic modulus is measured in the tensile test according to ISO 527 at 23 °C, as the average value established for 5 specimen with parallel faces which have been conditioned to the equilibrium state in the standard climate of 23 °C / 50% RH
B. The tensile strength is ≥ 55 MPa. The tensile strength is measured in the tensile test according to ISO 527 at 23 °C, as the average value established for 5 specimen with unscratched parallel faces which have been conditioned to the equilibrium state in the standard climate of 23 °C / 50% RH.

5.
POLYVANTIS India reserves the right to investigate independently the cause of failure.

WARRANTY CONDITIONS
